

CREATIVELY GIRLS!

Want to explore your creativity and find the artist within but don't know where to start? Grab a group of girlfriends and visit us! In two cities that are home to painters, sculptors, glass artisans, thespians, dancers, photographers and so much more, Lafayette-West Lafayette has a diverse and thriving arts community. It's the perfect spot for you and your friends to steal away on your own private exploration into unlocking your talents.

Throw Pottery at Lala Gallery

Lala Gallery & Studio offers a variety of classes for all ages and skill levels. Sign-up for one of their classes or create a custom class of your own. Have you ever wanted to try throwing on the wheel or just wanted to goof around with clay? You and your friends can take a private handbuilding or wheel throwing class!

Blow Glass at Inspired Fire

New to glass working and interested in playing with fire? Sharon offers a beginner's studio class about once a month to eight lucky people. Not interested in getting too close to the fire? Sharon offers group demonstrations as well. The idea is to create a dynamic environment where creativity and talent form new ideas, where art and glass meet to form a special bond.

Ceramics at All Fired Up

Pick it. Paint it. Fire it.

All Fired Up! is a paint-your-own pottery studio located on Wabash Landing in West Lafayette. They'll provide all the materials, ideas and a lot of encouragement. You and your girl friends bring the fun. They'll fire your creation and ship it to you.

Glass fusing at Uniquely Yours

Fused glass is the HOTTEST new craft-hobby around. You can use pre-made kits or you can take a safety and training class and make a one of a kind treasure. The only limitation is your imagination. Schedule a Diva Night and you will find a relaxed, fun atmosphere like your favorite café. They help the "creatively challenged" find their creative side. Once you've found it, they'll send your finished piece directly to the address of your choice. They offer ceramics too!

Why not finish your journey by sketching on the pedestrian bridge overlooking the Wabash River. There's something for the artist in all of us in Lafayette-West Lafayette, Indiana
